Our primary design aesthetic is to create sites with the following characteristics:

- welcoming to visitors
- presents information in an orderly manner
- clearly conveys site purpose
- user friendly navigation

If you are happy with your website and certain it is performing at maximum capability in reaching your audience and bringing about desired results, then we wish you continued success and hope that you find some value to the content we have to offer at WebsiteDx.com ... but, if you know or have a sneaking suspicion that your site could do better in serving your target market and your bottom line ... why not give us a call now at 570-245-1010 or email [info@wd11.com](mailto:info@wd11.com)?

Whether working up a site design from scratch, or renovating an existing site, we will apply our smooth blend of artistry and practicality to maximize your site visitors' satisfaction with your website operations and development.

This is Buddy. *He* says,
